Join us as we explore the strategic use of Requests for Admissions (RFAs) in litigation. This powerful yet often overlooked discovery tool can help streamline cases, narrow issues, and drive settlement discussions. We will discuss best practices for crafting RFAs, how they can be leveraged to your advantage, and real-world examples of their impact in legal cases. Whether you're new to RFAs or looking to refine your approach, this session will equip you with valuable insights to enhance your discovery strategy. The content will include forms, checklists and resources.
